Subject: Request for Continued Examination (RCE)  
Final Office Action Summary of October 12, 2005  
Patent Application Number 10/737,330

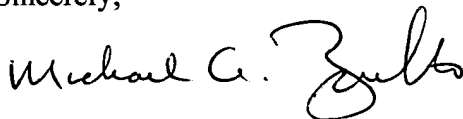

Dear Mr. Hawk,

Enclosed are amended and new claims regarding the subject.

I am vigorously pursuing the RCE because I am preparing to manufacture the item disclosed in the above Patent Application. First article production samples are in my possession. My company is very small, and as yet cannot compete with large corporations. This new product is important to our company future. I seek patent protection for my intellectual property.

I feel strongly that my application deserves a patent. I hope that the attached amended and new claims are acceptable to you. I look forward to your response.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael A. Zerillo". The signature is fluid and cursive, with the last name "Zerillo" being more prominent.
